
Semiconductor Physics Documentation

Y.G

Dec 10, 2024

CONTENTS:

1	Index	1
1.1	Basic physics of semiconductors	1
1.2	Basic equations	1
1.3	Schottky barrier	1
1.4	MIS structure	1
1.5	MIS (Metal-Insulator-Semiconductor) capacitor	1
1.6	Bipolar transistor	1
1.7	MOSFET	1
2	Indices and tables	3

1.1 Basic physics of semiconductors

This document is in progress

1.2 Basic equations

This document is in progress

1.3 Schottky barrier

This document is in progress

1.4 MIS structure

This document is in progress

1.5 MIS (Metal-Insulator-Semiconductor) capacitor

This document is in progress

1.6 Bipolar transistor

This document is in progress

1.7 MOSFET

This document is in progress

INDICES AND TABLES

- [genindex](#)
- [modindex](#)
- [search](#)

This documentation explains semiconductor physics. There will be updates soon!! Stay tuned.
