
Semiconductor Physics Documentation

Y.G

Jun 13, 2024

CONTENTS:

1	Index	1
1.1	Schottky barrier	1
1.2	Current trasport process	1
1.3	MIS (Metal-Insulator-Semiconductor) capacitor	1
2	Indices and tables	3

1.1 Schottky barrier

This document is in progress

1.2 Current transport process

1.2.1 Thermionic-emission theory

This document is in progress

1.2.2 Diffusion theory

This document is in progress

This document is in progress

1.3 MIS (Metal-Insulator-Semiconductor) capacitor

This document is in progress

INDICES AND TABLES

- [genindex](#)
- [modindex](#)
- [search](#)

This documentation explains semiconductor physics. There will be updates soon...
